The Lone Star Lady is published bimonthly by the Texas Region of the Rolls-Royce Owners' Club. The Texas Region is under the control of the Rolls-Royce Owners' Club.

**Publication Deadlines:** Articles and advertising should be received no later than the 15th of the month prior to the date of publication. Example: articles/ads for the January/February issue should be received no later than January 15th.

Articles and photographs can be sent via e-mail to: spkrazier@sbcglobal.net, or by mail on disk. A hard copy of the article should accompany the disk. Photographic prints will be scanned and returned as directed.

**Advertising Rates:** Advertising space is priced at \$200 per page and smaller size ads are priced proportionally, e.g. 1/4 page is priced at \$50.00 per edition.

The Lone Star Lady endeavors to publish accurate information. The region, its editors and officers assume no responsibility in the event of loss or damage arising from any information contained therein. Statements attributed to individuals do not reflect the official policy and position of the Rolls-Royce Owners' Club or the Texas Region.

Technical expert Simon Curzon walks toward his toolbox as Texas Region members gather beneath Bill Stroman's 4 1/4 Litre Bentley during the 2012 Tech Seminar in Austin.

## Tech Seminar Well-Attended and Well Worth It!

This year our Technical meet was again hosted by Bentley Austin/John Eagle European. The facility and their personnel were impeccable. Thanks go out to the dealership and to David Gainey and Thomas Lahme, for all their help. We were privileged to have 2 very competent technicians to guide us through the inspection of or vehicles. Where else can you be surrounded by your favorite PMCs, have 2 great catered meals with people who share your passion, and have your pride-and-joy evaluated by expert technicians who know these cars for only \$30. Thanks to Pete Smirnis and Simon Curzon, who did a fantastic job with the inspections. This meant our scribe of so many years, Bob Bishop, had to enlist

some help to take down notes for the cars which were there for inspection.
