

PORSCHE

Cayenne **\$46,700**

Model Year 2011 Standard Equipment includes:

Engine

300 hp, 295 lb ft torque - 3.6 liter, water-cooled 6 cylinder, aluminum heads with cast iron engine block, front engine. 24 valve, direct fuel injection (DFI) system. Engine Management System MED 17 with electronic throttle. Continuously variable intake and exhaust camshafts. Cylinder specific knock control. Wet sump lubrication. Sport button. Vehicle electric system recuperation.

Power Transmission

6-speed manual transmission with dual mass flywheel. Porsche Traction Management (PTM), with active all-wheel drive electric and map-controlled multi-plate clutch.

Chassis and Suspension

18" Cayenne wheels with 255/55R18 all-season tires. TPMS – Tire Pressure Monitoring System. 18" Collapsible spare tire. Power steering with variable ratio. Suspension with steel springs. Double wishbone front axle, multilink rear axle.

Braking System

Monoblock Aluminum fixed calipers: 6-Piston – front, 4-Piston – rear, black calipers and internally ventilated rotors. Porsche Stability Management (PSM) with Anti lock Braking System (ABS), Anti Slip Regulation (ASR), Automatic Brake Differential (ABD) and Electronic Drag Torque Control (EDTC) providing enhanced braking readiness and Brake Assist. Brake pad wear indicators, electric parking brake.

Body

Fully galvanized, self-supporting body. 4 Doors with side-impact beams and enlarged rear spoiler integrated into the tailgate. Exhaust system with 2 matte silver finished tailpipes. Preparation for trailer hitch. Heavily tinted glass on rear side and rear windows, grey top tint on windshield. 26.4 gallon fuel tank.

Lighting System

H7 Halogen headlights with projector technology and automatic static leveling. Automatic headlights. Front and rear fog lamps. LED daytime running lights. Center high-mounted rear brake light integrated into the spoiler. LED rear lights. Interior lighting package including delayed shut-off, front and rear reading spots and foot well lighting.

Electrical Equipment

CD radio with 7" color touch screen and MP3 play mode. Sound system with 10 loudspeakers on 100 watt total output. Universal audio interface with auxiliary input. Bluetooth hands-free mobile phone interface. On board computer with digital continuous indication of total mileage, trip mileage, time, outside temp, speed, and various warning indicators. 5 analogue gauges indicating RPM's, speed, oil temperature, coolant temperature and fuel level, with black dials. 4.8" color display, gear indicator and service interval indicator. Power windows, anti-trap protection and one-touch open/close. Two speed wiper system with rain sensor, wiper delay control, heated washer nozzles. Electrically operated and heated side mirrors. Remote central locking. Anti-theft system including passenger compartment monitoring. Cruise control. Five 12-volt socket outlets. Homelink® garage door opener. Power liftgate with fully automatic opening and closing of tailgate with programmable, customized opening height.

Passive Safety Equipment

3-point black seat belts with pre-tensioners (front and rear outer seats), force limiters (front), manual height adjustment (front) and reminder (front). Full size driver and front passenger airbags. Driver knee airbag. Integrated side airbags in both front seats. Roof frame with integrated curtain airbags on left and right.

Interior Equipment

Five seats, including two full sized outer (rear). 8-way power seats in front, with electric fore/aft, height, seat surface angle and backrest adjustment. 40/20/40 split-folding rear seats manually adjust (fore/aft and backrest adjustment) and include center armrest with cup holders. Smooth leather-trimmed multi-function 3-spoke steering wheel with manual reach and height adjustment and colored Porsche crest. Seats, door/center console handles, and door/center console armrests trimmed with textured leather. Gear selector lever in smooth leather. High-gloss black interior trim. Auto-climate control with integrated carbon filter, including separate controls for driver and front passenger. Two cup holders in front. Center ashtray in front, ashtrays in rear doors. 23.7 cu. ft. luggage compartment volume (62.9 cu. ft. with rear seats folded) with extendable cargo area cover. 4 chrome-plated tie-down eyelets in cargo area. Floor mats.

PORSCHE

Cayenne S Hybrid \$67,700

Model Year 2011 Standard Equipment includes:

Engines

Parallel-Full hybrid system with 380 hp, 406 lb-ft torque. (Electric: 52 hp, 222 lb ft /Gas: 333 hp, 325 lb ft – 3.0 liter, water-cooled 6 cylinder with supercharger, aluminum heads and engine block, front engine). 24 valve, direct fuel injection (DFI) system. Engine Management System MED 17 with electronic throttle. Continuously variable intake camshaft. Cylinder specific knock control. Wet sump lubrication. Auto Start Stop function, Sport and E-Power buttons. 288-volt nickel-metal-hydride traction battery.

Power Transmission

8-speed Tiptronic S automatic transmission. Porsche Traction Management (PTM), with permanent all-wheel drive, self-locking center differential and variable torque distribution at rear axle.

Chassis and Suspension

18" Cayenne S III wheels with 255/55R18 all-season tires. TPMS – Tire Pressure Monitoring System. Tire sealing compound and electric compressor. Electrically dynamic power steering with variable ratio and Servotronic. Double wishbone front axle, multilink rear axle. Suspension with steel springs.

Braking System

Monoblock Aluminum fixed calipers: 6-Piston – front, 4-Piston – rear, silver-colored calipers and internally ventilated rotors. Porsche Stability Management (PSM) with Anti lock Braking System (ABS), Anti Slip Regulation (ASR), Automatic Brake Differential (ABD) and Electronic Drag Torque Control (EDTC) providing enhanced braking readiness and Brake Assist. Brake pad wear indicators, electric parking brake. Recovery of brake energy (recuperation).

Body

Fully galvanized, self-supporting body. 4 Doors with side-impact beams and enlarged rear spoiler integrated into the tailgate. Exhaust system with 2 matte silver finished tailpipes. Preparation for trailer hitch. Heavily tinted glass on rear side and rear windows, grey top tint on windshield. 26.4 gallon fuel tank. "Hybrid" designation on front quarter panels. Electric slide/tilt sunroof with tinted glass.

Lighting System

H7 Halogen headlights with projector technology and automatic static leveling. Automatic headlights. Front and rear fog lamps. LED daytime running lights. Center high-mounted rear brake light integrated into the spoiler. LED rear lights. Interior lighting package including delayed shut-off, front and rear reading spots and foot well lighting.

Electrical Equipment

CD radio with 7" color touch screen and MP3 play mode. Sound system with 10 loudspeakers on 100 watt total output. Universal audio interface with auxiliary input. Bluetooth hands-free mobile phone interface. On board computer with digital continuous indication of total mileage, trip mileage, time, outside temp, speed, and various warning indicators. 5 analogue gauges indicating RPM's, speed, oil temperature, coolant temperature and fuel level, with black dials and "Hybrid" logo. 4.8" color display, gear indicator, service interval indicator and energy management. Power windows, anti-trap protection and one-touch open/close. Two speed wiper system with rain sensor, wiper delay control, heated washer nozzles. Electrically operated and heated side mirrors. Remote central locking. Anti-theft system including passenger compartment monitoring. Cruise control. Five 12-volt socket outlets. Homelink® garage door opener. Power liftgate with fully automatic opening and closing of tailgate with programmable, customized opening height.

Passive Safety Equipment

3-point black seat belts with pre-tensioners (front and rear outer seats), force limiters (front), manual height adjustment (front) and reminder (front). Full size driver and front passenger airbags. Driver knee airbag. Integrated side airbags in both front seats. Roof frame with integrated curtain airbags on left and right. Battery safety box and emergency stop switch.

Interior Equipment

Five seats, including two full sized outer (rear). 8-way power seats in front, with electric fore/aft, height, seat surface angle and backrest adjustment. Driver memory package. 40/20/40 split-folding rear seats manually adjust (fore/aft and backrest adjustment) and include center armrest with cup holders. Smooth leather-trimmed multi-function 3-spoke steering wheel with manual reach and height adjustment and colored Porsche crest. Seats, door/center console handles, and door/center console armrests trimmed with textured leather. Gear selector lever in smooth leather. High-gloss black interior trim. Auto-climate control with integrated carbon filter, including separate controls for driver and front passenger. Door sill guards and pedal covers made of stainless steel. Two cup holders in front. Center ashtray in front, ashtrays in rear doors. 20.5 cu. ft. luggage compartment volume (59.7 cu. ft. with rear seats folded) with extendable cargo area cover. 4 chrome-plated tie-down eyelets in cargo area. Floor mats.

PORSCHE

Cayenne Turbo **\$104,800**

Model Year 2011 Standard Equipment includes:

Engine

500 hp, 516 lb ft torque – 4.8 liter, water-cooled 8 cylinder with two exhaust turbochargers, aluminum heads and engine block, front engine. 32 valve, direct fuel injection (DFI) system. Engine Management System SDI 8 with electronic throttle. Continuously variable intake valve timing and lift switching (VarioCam Plus). Cylinder specific knock control. Integrated dry sump lubrication. Auto Start Stop function and Sport button. Vehicle electric system recuperation.

Power Transmission

8-speed Tiptronic S automatic transmission. Porsche Traction Management (PTM), with active all-wheel drive electric and map-controlled multi-plate clutch.

Chassis and Suspension

19" Cayenne Turbo wheels with 265/50R19 all-season tires. TPMS – Tire Pressure Monitoring System. 19" Collapsible spare tire. Power steering with variable ratio and Servotronic. Double wishbone front axle, multilink rear axle. Air suspension with self-leveling, including PASM (Porsche Active Suspension Mgt).

Braking System

Monobloc Aluminum fixed calipers: 6-Piston – front, 4-Piston – rear, red calipers and internally ventilated rotors. Porsche Stability Management (PSM) with Anti lock Braking System (ABS), Anti Slip Regulation (ASR), Automatic Brake Differential (ABD) and Electronic Drag Torque Control (EDTC) providing enhanced braking readiness and Brake Assist. Brake pad wear indicators, electric parking brake.

Body

Fully galvanized, self-supporting body. 4 Doors with side-impact beams and enlarged rear spoiler integrated into the tailgate. Exhaust system with 2 matte silver finished, dual-tube tailpipes. Preparation for trailer hitch. Heavily tinted glass on rear side and rear windows, grey top tint on windshield. 26.4 gallon fuel tank. Metallic paint finish. Electric slide/tilt sunroof with tinted glass.

Lighting System

Bi-Xenon headlights with PDLs (Porsche Dynamic Light System). Front and rear fog lamps. Daytime running lights with four LED spotlights. Center high-mounted rear brake light integrated into the spoiler. LED rear lights. Interior lighting package including delayed shut-off, front and rear reading spots and foot well lighting.

Electrical Equipment

PCM (Porsche Communication Management) including navigation module, 3D map on high resolution 7" WVGA color touch screen with CD/DVD and MP3 play mode. BOSE® surround sound system with 14 loudspeakers on 585 watt total output. Universal audio interface with iPod®, USB and auxiliary inputs. Bluetooth hands-free mobile phone interface. On board computer with digital continuous indication of total mileage, trip mileage, time, outside temp, speed, and various warning indicators. 5 analogue gauges indicating RPM's, speed, oil temperature, coolant temperature and fuel level, with black dials and "turbo" logo. 4.8" color display, gear indicator, service interval indicator and digital boost-pressure. Power windows with anti-trap protection and one-touch open/close for driver. Two speed wiper system with rain sensor, wiper delay control, heated washer nozzles. Electrically operated and heated side mirrors. Remote central locking. Anti-theft system including passenger compartment monitoring. Cruise control. Five 12-volt socket outlets. Homelink® garage door opener. Power liftgate with fully automatic opening and closing of tailgate with programmable, customized opening height. Driver memory package. XM Satellite Radio.

Passive Safety Equipment

3-point black seat belts with pre-tensioners (front and rear outer seats), force limiters (front), manual height adjustment (front) and reminder (front). Full size driver and front passenger airbags. Driver knee airbag. Integrated side airbags in both front seats. Roof frame with integrated curtain airbags on left and right.

Interior Equipment

Five seats, including two full sized outer (rear). Adaptive sport seats in front, with memory package. 40/20/40 split-folding rear seats manually adjust (fore/aft and backrest adjustment) and include center armrest with cupholders. Heated multi-function 3-spoke steering wheel with electric reach and height adjustment, colored Porsche crest, and radio controls. All leather upholstery in smooth leather. Brushed aluminum interior trim. Auto-climate control with integrated carbon filter, including separate controls for driver and front passenger. Door sill guards and pedal covers made of stainless steel. Two cup holders in front. Center ashtray in front, ashtrays in rear doors. 23.7 cu. ft. luggage compartment volume (60.2 cu. ft. with rear seats folded) with extendable cargo area cover. 4 chrome-plated tie-down eyelets in cargo area. Floor mats.
