A complete list of exclusions appears in the vehicle service agreement.

Wrap Supreme Coverage - Available for new vehicles

Factory and/or dealer powertrain warranties are limited to major components. Wrap Supreme Coverage is an exclusionary level of coverage that is designed to "wrap" around your warranty protecting all of the components your warranty does not. - Engine
- Transmission
- Transfer Case
- Drive Axle

*Coverage is subject to deductibles, limits and exclusions. See your vehicle service agreement for details.

All coverage plans include the following additional benefits:*
