Seller's Description and Comments

40th Year Anniversary Edition, The perfect Porsche. #759 of 1963 built. My car has a custom built 3.8 engine by "Flat Six Innovations". Original engine with improved everything. The car is Very Fast with huge Torque. I also had performance catalytic converters built for it. The Cats improved performance and sound Great. I have all the records and receipts. New brakes, new tires, new floor mats. Bose sound, CD changer. The car has always been garaged or covered, I run only "Pure Gas" thru it. (no Ethanol). It runs fine with ethanol fuel but I chose to protect the engine. I Love This Car and you will see. Please Call or Text Mark at ph.727-638-0438
