**Disclaimers:** The following explanations apply to this document and all information contained within it: This document is not an offer to sell. This document is merely an indication of the kinds of Aston Martin vehicles, service, options or accessories which may be available from time to time or which may be ordered from your dealer. Any vehicles illustrated may include additional options not featured. Each item described in this document is subject to availability. This document, the products and services referred to in it, and any Manufacturer Suggested Retail Prices (MSRP) identified, apply to USA only. Only an actual invoice issued by the manufacturer at the time a vehicle is sold to an authorized Aston Martin dealer may be used as an official indication of actual equipment and pricing for any vehicle. While every effort is made to include up to date information, this document should not be regarded as an infallible guide to current products, options, accessories, specifications or MSRP. The prices shown do not include any governmental or documentary fees (for example: registration, licensing fees, title fees, taxes and document fees) and other dealer charges (for example, destination/handling charge). Before proceeding you should confirm the amount of any additional governmental or documentary fees, and any other dealer charges with your dealer. You should be aware that tire choice for any vehicle may have an impact on performance results, fuel consumption, ride comfort and handling. All information in this document is provided 'as is', could include technical, typographical or other errors, and is subject to change without notice. Aston Martin makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness of the information in this document. Aston Martin reserves its right to update and amend the information in this document from time to time by notice given on its website, in amendments or updates to this document and/or via its dealer network. Before completing any purchase, you should confirm with your selling dealer the full details of all equipment options and/or services to be included in your purchase and the resulting total price.
